Description

The ZD Air cooled industrial chillers is widely used in plastic industry, electro, plating, chemical industry, printing industry and many more. This kind of air cooled industrial chillers can precisely control the temperature required by the machinery in production, and can greatly improve the production output efficiency and quality of the product.

The benefits of the ZD air cooled chillers are that it does not require a cooling tower and it can be easily installed and removed.

型号 Model		UNIT	ZD-3HW	ZD-5HW	ZD-8HW	ZD-10W	ZD-12W	ZD-15W	ZD-20W	ZD-25W	ZD-30W	ZD-40W
制冷量 Refrigeration capacity		kw	11.0	15	23.0	30.5	34.3	46	61	69	92	122
